Immerse yourself in the African American Experience. Information is divided into 18 different subject areas including Music, Sports, Religion, Politics and Slavery.

American History

This resource covers American History from 1350 to the present including speeches, documents, images and news footage.

American Newspapers

This database provides articles from hundreds of U.S. newspapers and many Georgia newspapers.

Ancestry Library Edition*

A comprehensive source for genealogical research is available through GALILEO, providing the capability of searching census records, the Social Security Death Index, military records and more in one search.

Auto Repair Reference Center

Auto Repair Reference Center includes repair information, factory drawings and step-by-step photographs, technical service bulletins and recalls, enhanced wiring diagrams, specifications, maintenance schedules, and more for most automotive makes and models. The content is created by ASE certified technicians and updated frequently.

Biography Reference Center

Comprehensive database of biographical information on people of all nationalities and from all periods of history, with some images.

Daily Life Through History

Explore daily life in America. Search by subject links, region, or time period. Countless topics are covered, ranging from Urban Legends to sweets and baked goods.

Job and Career Accelerator

Looking for a job? This database allows you to research new jobs, search for available jobs, and create resumes and cover letters that will lead to that all-important interview!

Latino American Experience

This database covers the Latino American Experience from its origins to current pop culture. Seventeen different subject areas are available including sections on Civil Rights, Culture, Education, Immigration and Migration, Religion, and Sports.

LearningExpress Library

LearningExpress Library offers test preparation for a variety of educational and career exams, as well as practice in various educational and career skills. Included are practice exams for GED, SAT, ACT, GRE, ASVAB, PRAXIS and more, as well as components to help with educational and career skills.

Mango Languages

Mango is a completely web-based system for learning dozens of languages. Whether you're traveling to another country, conducting business abroad, or wanting to communicate more meaningfully with your neighbors, the interactive tools provided by Mango can make learning a new language easy and fun. Create an account and Mango will also track your progress.

Morningstar

Provides investment research, including stock and fund analysis, reports, and tools, as well as company, investing, and financial news. Archived video reports and articles, featuring major market news and analyst insights, are also available. In addition, this resource offers investment ideas from top analysts including stocks, mutual funds, and ETFs.

NextReads

Great book suggestions in email newsletters from your library recommending books in your favorite genres on a monthly or bimonthly basis, with each title linked to the catalog so that you can easily place holds.

NovelList Plus

Reading suggestions, both fiction and non-fiction, based on what you've read and enjoyed, favorite authors, or topics of interest.

Online Book Clubs

Join our *Online Book Club* and read a 5-minute book excerpt in your email each day. By the end of the week, you'll have read 2-3 chapters.

Points of View Reference Center

Designed to aid students in understanding the full scope of controversial subjects, *Points of View* will help them prepare for debates, develop arguments, write position papers, and develop critical thinking skills. Each essay includes a series of questions to generate further thought, and additional supporting articles from periodicals, newspapers, and books.

Pop Culture Universe

Learn about a variety of fads, technologies, and pastimes both present and past. Search items of interest by decade from the 1920s through the present. A variety of subjects are covered including TV and Radio, Food and Drink, Fashion and Appearance, Arts, and Technology and Media.
